

McGuire Furniture Debuts Dynamic Spring 2022 Collection

22 Fresh Designs Embody McGuire's Legacy of Natural Luxury, Featuring a Return to its Signature Materials of Rattan, Rawhide and Danish Cord

CONNELLY SPRINGS, NC (April 2022) – [McGuire Furniture](#) is proud to unveil its McGuire Originals Spring 2022 collection. Designed in-house, the 22-piece assortment effortlessly bridges the brand's timeless heritage, discerning handcraftsmanship, and modern California-casual sensibilities. This season's designs encompass a curated combination of seating and accent tables.

"We are so pleased to reveal new McGuire Originals introductions this spring, celebrating a return to McGuire's signature materiality story and its ethos of laidback luxury," said Erica Wingo, Senior Vice President of Merchandising and Marketing at Baker Interiors Group, McGuire's parent company. "We sought inspiration from the unique, relaxed style of the American Southwest as well as the natural formations and flora of Texas Hill Country."

The new McGuire Originals collection puts the brand's core natural materials on full display, such as rattan, rawhide and Danish cord, with intricate handwoven techniques used throughout.

Highlights from the McGuire Originals Spring 2022 collection include:

- **Bandera Chair** – With a grand and relaxed frame, the Bandera Chair has a strikingly distinctive design that sets it apart. A comfortable seat sits atop a complex, rounded frame finished in Gunmetal or Matte Mineral tones.
- **Knot Lounge Chair - Rattan** – Relax and refresh in the Knot Lounge chair – Rattan, meticulously crafted by McGuire artisans. This remarkable chair combines rattan with your choice of Gunmetal or Matte Mineral finishes.
- **Lantana Arm Chair** – Featuring classic, fluid curves and quintessential McGuire craftsmanship, the Lantana Arm Chair is a flexible, modern piece that's suitable for everyday use or at an upscale dinner party. The chair is offered in Gunmetal and Matte Mineral finishes.
- **Hye Counter Stool** – The Hye Counter Stool has fluid, organic curves inspired by Hamilton Pool in the Texas Hill Country. It is carefully handwoven in Dune Danish Cord as a celebration of natural and mixed materials.
