## FALL 2023 PRODUCT CAPTIONS

### The Baker Essentials Dining Collection

Designed with comfort and simplicity in mind, the Baker Essentials Dining Collection includes transitional and modern pieces that are instantly at home in your space. Three versatile tables meet nine seating collections to provide a range of possibilities—with pieces expertly crafted in quartered oak, solid beech and stainless steel with stunning Brushed Stainless Steel and Brushed Antique Bronze finishes, each offers a new way to express your style. Discover the beauty and quiet elegance of a collection that only Baker could imagine.

BAA5131, Ashby Chair

The Ashby Chair is a modernized take on a traditional, round-back chair, with the legs passing through the seat to give the back a floating appearance. This piece is fully upholstered for a comfortable, luxurious experience that lasts.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5133, Sophia Chair

The Sophia Chair features soft, flowing lines and a gently curved barrel back shape. The gently sloping arms invite you in for hours of lively conversation or relaxation.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5135, Maeve Chair

The Maeve Chair is graceful and distinctive, with bold shaping and serpentine arms that make a statement in your room. It features a finely tailored, fully upholstered frame, floating seat and elevated design to offer a unique take on the modern dining chair.

**BAA5137, Adler Chair**

The Adler Chair is a modern, lively take on the classic barrel accent chair. Its generous shape, large seating area and sloping arms offer a comfortable and endlessly appealing experience.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5138, Carson Side Chair**

The Carson Side Chair provides the perfect blend of utility and style, allowing your dining table to take center stage. This eminently flexible and versatile piece can be used in a dedicated seating area or moved from room to room as your gatherings demand.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5158, Berkeley Chair**

The Berkeley Chair is a unique, eye-catching piece punctuated by an arched cutout at the base of its backrest. Fully upholstered with delicately tapered legs, this chair represents the height of style and comfort.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5140, Kipton Side Chair**

The Kipton Side Chair is a standout piece that commands attention with its unconventional silhouette. Its signature feature is an organically shaped, sculptural backrest that conforms to your body, delivering a decidedly luxurious experience.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5142, Zara Side Chair

The Zara Side Chair is a vision of modern comfort, crafted in Brushed Stainless Steel with full upholstery. With clean lines and a versatile look that pairs well in many settings, this chair brings timeless style with a contemporary flair.

Standard Finish: Brushed Stainless Steel

BAA5163, Ezra Side Chair

Sleek and contemporary, the Ezra Side Chair stands for effortless style with a modern twist. Its full upholstery and stainless steel frame—carefully finished in Brushed Antique Bronze—pair well with contemporary and classic pieces to complement your space.

Standard Finish: Brushed Antique Bronze

BAA5141, Kipton Arm Chair

Delivering a decidedly luxurious experience, the Kipton Arm Chair is a standout piece that commands attention with its unconventional silhouette. Its signature feature is an organically shaped, sculptural backrest that conforms to your body's contours.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5139, Carson Arm Chair

The Carson Arm Chair creates a timeless vibe that's both chic and uncomplicated. This fully upholstered piece features a confident silhouette and Parsons-style design for the perfect accompaniment to any seating area.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5143, Zara Arm Chair

The Zara Arm Chair promises timeless style, with clean lines and a versatile look that works well in a multitude of settings. This vision of modern comfort is crafted in Brushed Stainless Steel with finely made upholstery.

Standard Finish: Brushed Stainless Steel

#### BAA5164, Ezra Arm Chair

The Ezra Arm Chair is an elegant answer to the traditional arm chair, with clean lines throughout. Its full upholstery and stainless steel frame—carefully finished in Brushed Antique Bronze—pair well with contemporary and classic pieces to complement your space.

Standard Finish: Brushed Antique Bronze

#### BAA5144, Sophia Counter Stool

Both swooping and angular, the Sophia Counter Stool beckons with a comfortable backrest and smooth, gently sloping arms. This piece is the Baker Essentials Dining Collection at its best: beautiful, stylish and thoughtfully designed.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5145, Sophia Barstool

The Sophia Barstool captures the essence of the Baker Essentials Dining Collection: combining beauty, style and thoughtful design in one sumptuous piece. Both swooping and angular, it beckons with a comfortable backrest and smooth, gently sloping arms.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5148, Adler Counter Stool

The Adler Counter Stool reimagines the classic barrel chair for an elevated, counter-height experience. This piece features comfortable upholstery, a large seating area and solid wood construction with your choice of a Brushed Stainless Steel or Brushed Antique Bronze kickplate.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5149, Adler Barstool

The Adler Barstool wraps you in luxury and comfort, offering a barrel chair-inspired design with a large seating area. This fully upholstered piece includes solid wood construction with your choice of a Brushed Stainless Steel or Brushed Antique Bronze kickplate.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5150, Carson Counter Stool

The design of the Carson Counter Stool makes it eminently flexible and versatile, with a classic Parsons-style look that pairs well with nearly any kitchen or counter area. This fully upholstered piece features a confident silhouette that balances utility and style.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5151, Carson Barstool

Tall and confident with a timeless silhouette, the Carson Barstool has a versatile look that pairs well with nearly any style of bar or counter area. Solid wood construction and full upholstery create an upscale piece that balances style and utility.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5152, Kipton Counter Stool**

Distinctive and sculptural, the Kipton Counter Stool stands out with its quality craftsmanship and unconventional silhouette. Its signature feature is an organically shaped, sculptural backrest that conforms to your body's contours.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5153, Kipton Barstool**

Memorable for both its fine craftsmanship and uncommon silhouette, the Kipton Barstool features a curved backrest that conforms to your body's natural contours. It's an artful and sculptural piece that only Baker could create.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5161, Ashby Counter Stool**

The Ashby Counter Stool elevates the traditional round-back chair and reimagines it for a new era. This piece features a refined wood frame and full upholstery for a comfortable, luxurious experience that lasts.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

**BAA5162, Ashby Barstool**

Promising hours of comfort for long conversations, the Ashby Barstool features full upholstery, a well-crafted wood frame and a kickplate in Brushed Stainless Steel or Brushed Antique Bronze. This refined piece reimagines the traditional round-back chair for a new era of living.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5159, Berkeley Counter Stool

Punctuated by an arched cutout at the base of its backrest, the Berkeley Counter Stool represents the height of style and comfort. This eye-catching piece is fully upholstered with delicately tapered legs and a Brushed Stainless Steel or Brushed Antique Bronze kickplate.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5160, Berkeley Barstool

The Berkeley Barstool is alive with details, from its delicately tapered legs and a Brushed Stainless Steel or Brushed Antique Bronze kickplate to the unique arched cutout at the base of its backrest. Fully upholstered, this eye-catching piece represents the height of style and comfort.

Standard Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

#### BAA5156, Zara Armless Counter Stool

Balancing timeless style and contemporary design, the Zara Armless Counter Stool accents your space with clean lines and a unique frame. This vision of modern comfort is crafted in Brushed Stainless Steel with finely made upholstery.

Standard Finish: Brushed Stainless Steel

#### BAA5157, Zara Armless Barstool

Embrace timeless style with the Zara Armless Barstool, crafted in Brushed Stainless Steel and wrapped in finely made upholstery. This elegant piece accents your space with clean lines and a unique frame.

Standard Finish: Brushed Stainless Steel

BAA5167, Ezra Armless Counter Stool

The Ezra Armless Counter Stool stands for effortless style with a modern twist, with full upholstery and a stainless steel frame carefully finished in Brushed Antique Bronze. Its clean lines and simple silhouette allow total freedom of movement and the flexibility to pair with contemporary and classic pieces.

Standard Finish: Brushed Antique Bronze

BAA5168, Ezra Armless Barstool

Discover the inviting and contemporary vibe of the Ezra Armless Barstool, featuring full upholstery and a stainless steel frame carefully finished in Brushed Antique Bronze. This stool is well-suited to a variety of interiors, offering effortless style with a modern bend.

Standard Finish: Brushed Antique Bronze
